EDUCATION

COLLEGE EDUCATION– Sri Eshwar College of Engineering || **8.03 CGPA (till 5th semester)** **2023 – 2027**

SCHOOLING – N.V. Matriculation Higher Secondary School || **87.66%** **2022 – 2023**

SCHOOLING – Annai Arivagam Matriculation School || **100%** **2020 – 2021**

INTERNSHIP EXPERIENCES

Modern Full Stack Intern **2025**
Attended an internship offered by the college in collaboration with Technovinc. Gained hands-on experience of working with modern tech and incorporating them into projects.

Mern Stack Intern **2025**
Gained knowledge of working with ReactJS, NodeJS, MongoDB. It helped develop a project and deploying it on global platforms. This internship was offered by Rampex.

PROJECTS

SHORTURO [Github](#) **May 2026**
Developed a URL shortener using SHA-256 hashing to create unique short URLs. Enabled secure URL mapping and seamless redirection with optimized backend performance. Implemented duplicate URL detection and efficient database storage to ensure scalability and faster lookups.

BLOGMAX [Github](#) **Feb 2026**
Developed a full-stack blogging platform for creating, publishing, and managing blog posts. Built the frontend using Next.js and TypeScript for better performance and scalability. Implemented responsive UI, dynamic routing, and optimized rendering for a smooth user experience. Integrated backend services and database management for authentication, content handling, and real-time updates.

NEXJOB PRO [Github](#) **Dec 2025**
Engineered a MERN stack job portal connecting employers and job seekers with features like job posting, application management, and real-time status tracking. Built responsive dashboards, secure authentication, and RESTful APIs using MongoDB, Express.js, React, and Node.js.

CLIMATE CLONE [Github](#) **Sep 2025**
Developed a Climate Clone application that retrieves the weather condition like humidity, wind speed, latitude and longitude based on the given location.

CERTIFICATIONS

AWS Certified Cloud Practitioner AWS	2026
Basics of Digital Marketing UniAthena	2026
Completing Networking Basics Cisco	2025
AWS Academy Cloud Foundations AWS	2025
Completed Mastering Data Structures using C and C++ Udemy	2024
Learn JAVA Programming - Beginner to Master Udemy	2024

ACHIEVEMENTS

Reached the pre-final round in the Guidewire Hackathon among multiple competing teams.

CODING PROFILES

Leetcode : Solved 200+ problems | Contest Rating:1471 | [LEETCODE](#)
CodeChef : Ranking **23940** | [CODECHEF](#)
Skillrack : Ranking 11000
